College Hymn STRACHAN-WATSON

Les Bois

Bonneville looked at the sun on the forest,

Watched the dark valley grow bright with the flame,

Uttered the word to its splendor a tribute,

Uttered the now unforgettable name.

Boise, the beautiful, Boise, the wonderful,

Take up the word from the frontiersman's lips,

Sing of the strength in the Idaho forest,

Sing of the hills where the western sun dips.

Benediction

Recessional — Grand March — *Aida* VERDI
